A MESSAGE FROM THE CHAIRMAN

It is my great pleasure to announce the commencement of our new proram guide. The Yale Broadcasting Company has just recently finished celebrating the first anniversay of a new FM radio station broadcasting to New Haven and Southern Connecticut. Due to the many outstanding programs and due to the numerous requests of our listeners we have decided to issue this new guide to help our listeners in the selection of the programs they would like to hear. If there are any changes they will be included in the guide.

I hope you will find the new guide helpful and that you will subscribe to receive it every month so that we can increase the moneyearned at the station.
